

# DB Feud 2022 - Game 3

(requires 2 teams of 3-5 players each)

## Rules

You are to separate into 2 teams of equal size.

In each round, a member of each team is gathered and the two are presented with a question and the number of top answers.

Each question was answered by 100, 200 or 300 chat members.

All chat members surveyed have something in common which may or may not help you answer.

**Popular answers that do not fit the category or the spirit of the question are included.**

A player must buzz-in and give an answer. If the answer is not on the board or not the top answer, the contestant who didn't buzz in can give an answer.

The player with the topmost answer may choose to play or pass the question to the other team.

The team members must then each give an answer that fits the category. If it's on the board, the points for the answer are added to the bank. If it's not, the team gets a strike.

After three strikes, the opposing team gets the chance to give a single answer that has yet to be revealed on the board. If they get it right, they win the bank. If not, the playing team is awarded the banked points.

After 4 rounds, the team with the most points gets to play the bonus round.

That's it!

Another year, another round of thank yous I have to make.

First, thanks to the entertainment crew who lend me their voices - James, Paul, Graham and Andrew.

Thanks to Jackbox Games for not obfuscating their code enough to allow me to make working You Don't Know Jack games (this is not at all easy).

Thanks to VST team who wrote a whole bunch of questions exceedingly fast for I Literally Just Told You - Niall, Wolfstrike, rucdoc, Fayili, Snowcookies, J, reptile, HeNine, Chimingfish, amative1, SmithKurosaki & JoannaTastic.

Thanks to the 1039 co-writers of Large Country in Africa 2022 the full collection of all Feud questions and answers (draft available right now on <https://familyfeud2022db.us> )

And finally, thanks to Dawn Guard for letting me go to Gameshow space camp once a year.

CBS refuses to take my calls.

I love you all
